

**SPECIAL NOTE TO ALL COYOTES ICE SPORTS  
CUSTOMERS**

**I am pleased to announce that Dave Kimmel, of Custom Skate, will be teaming with Coyotes Ice Sports to provide the skating world with the very best in service this weekend while the Cactus Classic Figure Skating Competition is in full swing at the Ice Den.**

**Be sure to stop by Coyotes Ice Sports and say hello to Dave and all of our Ice Sports team. If you're searching for competition items, we can service all of your skating needs. Be sure to check out the discounted boots and blades from top manufacturers as well as the new line of Chloe Noel skate wear and blade covers.**

**After competing, if you require a sharpening, we can certainly provide that as well.**

**The Ice Den and Coyotes Ice Sports are proud to again host the Cactus Classic; and we're excited about the addition of Dave Kimmel. He'll be available, along with the rest of our team, during competition hours.**

**Enjoy the weekend, skate well and most importantly, have fun!**
